

Dear Oklahoma ASID Chapter Members,

Our Student Rep to the Board, Brent Pedersen, has requested that we put together a list of our members that would be willing to go speak to interior design students at our CIDA accredited universities (OU, OSU, UCO, and Oklahoma Christian). The reason for this is because CIDA requires a certain number of "professional visits" per semester in order to retain accreditation. It would really help the students and professors to have a go-to list of willing participants and of course we would love for ASID members to be the first people they call. All members (Allied, Professional, IP) are encouraged to participate.

If you are willing to be contacted (*there is no commitment at this point*) please send your name and preferred contact information to Heidi Plank, Director of Communications at officeconceptsokc.heidi@gmail.com. She will assemble a list and get it to Brent so that he can send it to the appropriate university contacts.

Thank you in advance for your support!

Sincerely,

Sherry Butler, RID, ASID
